

# I Miss You

Miley Cyrus

Sha la la la sha la la la  
You used to call me your angel  
Said i was sent straight down from heaven  
And you'd hold me close in your arms  
I thought of the way you felt so strong  
I never wanted you to leave  
I wanted you to stay here holdin me

Chorus  
I miss you  
I miss your smile  
And i still shed a tear every once in a while  
And even though it's different now  
Your still here some how  
My heart wont let you go  
And i need you to know  
I miss you  
Sha la la la la  
I miss you

You used to call me your dreamer  
And now I'm livin' out my dream  
Oh how I wish you could see  
Everything that's happenin for me  
I'm thinkin back on the past  
It's true the time is flyin' by to fast

Chorus  
I miss you  
I miss your smile  
And i still shed a tear every once in a while  
And even though it's different now  
Your still here some how  
My heart wont let you go  
And i need you to know  
I miss you  
Sha la la la la  
I miss you

I know that you are in a better place yeah

but i wish that i could see your face  
Oh i know that where you need to be  
Even though it's not here with me

I miss you  
I miss your smile  
And i still shed a tear every once in a while  
And even though it's different now  
Your still here some how  
My heart wont let you go  
And i need you to know  
I miss you  
sha la la la I miss you [2x]
