Love Love Love

Bobby Hebb

Love is a smile you give me that makes my day seem brighter
Love is your arms around me makes my troubles lighter
When I hold your hands so tightly, I'm feelin' that I'm stronger
I feel so much about you, I jus't can't wait no longerOf the wonderful touch of your lips, the wonderful world of desire
Love is a sweet tender night & your kisses setting my soul on fire
Love is a dream come true, Love is a girl like youLove's no limits baby, It's sweet and yet that's heartache
Love is a sound of laugthers of boys & girls make
Sweet love is all around you so love's its own refrain
In love there's so much pleasure and yet there's so much pain
Of the wonderful touch of your lips, the wonderful world of desire
Love is a sweet tender night & your kisses setting my soul on fire
Love is a dream come true, Love is a girl like youLove is a girl like you babe so warm and all so tender
Love is a power baby that's making me surrender
When I look into your soft eyes, I melt like candy jam
I do anything to please you, yes anything I can
Of the wonderful touch of your lips, the wonderful world of desire
Love is a sweet tender night & your kisses setting my soul on fire
Love is a dream come true, Love is a girl like youOf the wonderful touch of your lips, the wonderful world of desire
Love is a sweet tender night & your kisses setting my soul on fire
