

# Why Me (MHP 7" Re-Mix)

Irene Cara

Life felt so right  
I was drowned in your light  
With the world so in tune  
'Til you made me out for a fool  
Left with nothing to do  
Can't forget about you  
With my heart in my hands  
Pack my bags  
Leave my memories with you  
You gave me nothing but misery  
I found so much more  
You used me oh so helplessly  
I don't want your sympathy  
Why me  
Why me  
Why me when I was the one  
Who could set your heart free  
Why me  
Why me  
You took all the love  
I gave up selfishly  
Why me  
Trapped in your space  
Never thought I could face  
Going one step beyond  
When I knew deep inside I was strong  
Now I know what it takes  
Can't repeat the mistakes  
When new love comes along  
It'll give me what I'll call my own  
You gave me nothing but misery  
And I gave so much more  
You used me oh so helplessly  
I don't want your sympathy  
Why me  
(I tried to set you free)  
Why me  
(I love you helplessly)  
Why me when I was the one  
Who could set your heart free  
Ooh, why me  
(You stole a part of me)  
Why me  
(You loved me sinfully)  
Why me  
You took from the love

I gave up selfishly Why me  
(I tried to set you free)  
Why me  
(I loved you helplessly)  
Why me when I was the one  
Who could set your heart free  
Ooh-ho, why me  
(I loved you totally)  
Why me  
(Why me, why me, why me)  
Oh, why me  
(Who loved you totally)  
Why me  
(Why me, why me, why me)  
Why me, oooooh-oh  
Keep your sympathy  
Why me  
(I love a symphony)  
(I love you totally)  
I love you totally  
I love you totally  
Why me  
(I love a symphony)  
Why me  
(I loved you totally)  
Why me
