Maya

Sugababes

Maya, this song's for you
I have your name print tattooed upon my skin
There's so much to say to you and where do I begin?'Cos all these prayers must be going somewhere
Somewhere I can never trace
But it seems so far, look in the stars and the empty spaceThere are worlds within worlds, that keep rotating
And so many thoughts that flow through my mind
If this universe is really shrinking, we'll be together in timeNa, na, na, na, they know
Na, na, na, na, they knowI had a vision of this place
It looked like heaven, but the colors seemed to change
And no matter what I do, yeah, it's only fading awaySo all these prayers have to be going somewhere
Somewhere I can never trace
And one could get lost in all of these stars and drift in spaceThere are worlds within worlds, that keep rotating
And so many thoughts that flow through my mind
If this universe is really shrinking, we'll be together in timeNa, na, na, na, they know, na, na, na, na, they know
Na, na, na, na, they know, na, na, na, na, they don't
(They don't, they don't, they don't)There are worlds within worlds, that keep rotating
And so many thoughts that flow through my mind
If this universe is really shrinking, we'll be together in timeThere are worlds within worlds, that keep rotating
(Na, na, na, na, they know, na, na, na, na, they know)
And so many thoughts that flow through my mind
(Na, na, na, na, they know, na, na, na, na, they know)If this universe is really shrinking, we'll be together in time
(Na, na, na, na, they know, na, na, na, na, they know)
Na, na, na, na, they know, na, na, na, na, they know
Na, na, na, na, they know, na, na, na, na, they know
