# Second Last Resort

## Nancarrow

Written by Graham Nancarrow

You were my second last resort
you were the last one in line
ya see I had no other choice
it kept those before you off my mind

You were my second last resort
Don't you know what that entails?
No this won't take long
Our love has run right off the rails

When I met you life for me was a living hell
I needed someone to ease the pain and make me feel well
Then someone came into my life and made me feel alright
Ya, tell me does it show?
We might not make it through tonight

So forgive me if I don't do this very well
See I fell in love with you and only cared about myself
Hey man this love thing is too much and I don't think I got enough.
Tell me does it show?
Two wrongs just don't make a right
Tell me did you know?
I'm walkin' out on you tonight
