Safe In Your Daddy's Arms

Peter Penrose

Let the wind blow, let your cares go
You're safe in your daddy's arms
Let the rain fall and through it all
You're safe in your daddy's arms

Chorus
Safe, safe in my embrace
You're save in your daddy's arms
Safe, safe by God's grace
You're safe in your daddy's arms

Today me and you had so much to do
Now we're all tired and worn
So rest up tonight, then with the light
You'll play in your daddy's arms.

(Repeat Chorus)

Now you can rest snug in your bed
Here where it's safe and warm
All through the night you'll be held tight
In your Heavenly Daddy's arms

Safe, safe in His embrace
You're safe in your Daddy's arms
Safe, safe, wrapped in God's grace
You're safe in your Daddy's arms
