

# Safe In Your Daddy's Arms

## Peter Penrose

Let the wind blow, let your cares go  
You're safe in your daddy's arms  
Let the rain fall and through it all  
You're safe in your daddy's arms

### Chorus

Safe, safe in my embrace  
You're save in your daddy's arms  
Safe, safe by God's grace  
You're safe in your daddy's arms

Today me and you had so much to do  
Now we're all tired and worn  
So rest up tonight, then with the light  
You'll play in your daddy's arms.

(Repeat Chorus)

Now you can rest snug in your bed  
Here where it's safe and warm  
All through the night you'll be held tight  
In your Heavenly Daddy's arms

Safe, safe in His embrace  
You're safe in your Daddy's arms  
Safe, safe, wrapped in God's grace  
You're safe in your Daddy's arms
