

Come In This Light

From Indian Lakes

Come in this light
You only need to feel loved
But you let the dark in
When you open up the doorBut you don't know what it's like
to lose
You don't know what it's like to loseHow long is life?
You only need to feel loved
But you kept it all in
And you cut this heart outBut you don't know what it's like
to lose
But you don't know what it's like to lose
