Between The Times

Eloy

between the times
I'm rolling like a steamer on far away oceans
I feel the times
and fears a deadly wave of memory explosion
I try to embrace the sun
see suddenly has ?
what do you my son
what do you my son
between the times
the tempting ? were carried by ? horses
I feel the times
surviving wounds were set by ? enforcers
I'm blinded by my pain
see sunbeam her again
your eyes cold drops of rain
but do you know my pain
but do you know my pain
