

Rivals

Citizen Way

Do you feel like you're always fighting

 In a war that you just can't win

 So you quit before you even try

 What if I said I've been there

 And I'm proof there's victory

Over every darkness every lieWhen we look to the Son

 Our battle's already won

 We've got no rivals

 'Cuz He's got no rivals

 No matter what comes our way

 We know we'll be okay

 We've got no rivals

 'Cuz he's got no rivals

 Greater is He that is in you

 Than any power in this world

That's a promise money just can't buy

 There's gonna be pain

 There's gonna be trials

 But lift your eyes up

Lift up your eyesWhen we look to the Son

 Our battle's already won

 We've got no rivals

 'Cuz He's got no rivals

 No matter what comes our way

 We know we'll be okay

 We've got no rivals

 'Cuz he's got no rivals

 When we look to the Son

 Our battle's already won

 We've got no rivals

 'Cuz He's got no rivals

 No matter what comes our way

 We know we'll be okay

 We've got no rivals

'Cuz he's got no rivalsWhatever you do

 Don't fear nothing

 Whatever you do

Just let Love let Love take controlWhatever you do

 Don't fear nothing

Whatever you do
Just let Love let Love take control
When we look to the Son
Our battle's were won
We've got no rivals
'Cuz He's got no rivals
No matter what comes our way
We know we'll be okay
We've got no rivals
'Cuz he's got no rivals
When we look to the Son
Our battle's already won
We've got no rivals
'Cuz He's got no rivals
No matter what comes our way
We know we'll be okay
We've got no rivals
'Cuz he's got no rivals
We've got no rivals
'Cuz he's got no rivals
Whatever you do
Don't fear nothing
Whatever you do
Just let Love let Love take control
