

My Zelda

Allan Sherman

Oy, my Zelda

My Zelda

My Zelda, she took the money and ran with the tailor

Once again now

My Zelda

My Zelda

My Zelda, she took the money and ran with the tailor

My Zelda she found her big romance

When I broke the zipper in my pants

My Zelda, she took the money and ran with the tailor

Everybody!

CHORUS

Sing along with Moish now!

CHORUS

It's almost too sad to tell to you

She took 7 books of green stamps too

My Zelda, she took the money and ran with the tailor

Everybody!

CHORUS

Once again now!

CHORUS

That tailor he really hurt my pride

He made my lapels an inch too wide

My Zelda, she took the money and ran with the tailor

Everybody!

My Zelda (comin' 'round the corner)

My Zelda (sing out the chorus)

My Zelda, she took the money and ran with the tailor

Once again now!

CHORUS

Members of Hadassah!

CHORUS

Everybody!

CHORUS

Oh why did she go and fall in love
I haven't seen her since Tisha be'av
My Zelda she took the money and ran with the tailor
-Everybody!

CHORUS

Sing a little softer..

CHORUS

Everybody!

CHORUS
