

You Move Me

The Supremes

(A. Hamilton, W. Garrett)

Your love to me is beautiful

Oh-oh-oh, and don't you know

You really move me

You fill my life with so much joy

Feel like a child with a brand new toy

You move me

You make my life so complete

While other loves are slowly dying

Your love for me keeps multiplying

The love I give I don't regret

'Cause you're not out-focused what you can get

It start a fire with just one touch

(Just a gentle touch)

A gentle touch that I need so much

You really move me (yes, you do)

You take my frown

And turn it upside down (yes, you do)

Things are brighter

My heart feels lighter

You move me

You're making my life complete, boy

There'll never be anyone

But you for me

Never, never, never

You got it all

'Cause you move me (yes, you do)

Went through my head, I hear all bells chime

(yes, you do)

You send chills up and down my spine

You move me

You make my life so complete (oo-oo-oo-oo-oo)

Oh, you move me (yes, you do)

You make me feel so doggone good

(Yes, you do)

You move me (yes, you do)

Feeling just like a woman should

(Yes, you do)

You move me, you move me

You move me, move me, move me
You mo-o-ove me
Oh, you move me, you move me
You move me, move me, move me
You mo-o-ove me, ohhh yeah
You move me, you move me, move me
You move me
