Borderline Stalker

Signal the Escape

Lock all the doors
Barricade all the windows
Let?s write an ending that?s the envy
Of the Broadway show

So, take your knife
And hold it to my throat
I say, ?You haven?t got the guts?
You say you will, I know you won?t

So, I?ll say, ?Come on,? you?ll say, ?Let?s go?
Let?s show them what?s worth dying for

Stare so hard that you burn a hole right through my back
Isn?t that what lovers do?
Are you obsessed with me like I?m obsessed with you?
And if it?s not love, then what are we but two dumb kids
That cannot breathe without each other?
This is borderline stalker

So, hold your breath and hope for the best, darling
We?re just lying to keep quiet
The daily life we both possess
The daily life we both regret

And it starts with a scream like this
The kind that can make your heartbeat want to skip
Fall to the floor
Let?s show them what?s worth dying for

Stare so hard that you burn a hole right through my back
Isn?t that what lovers do?
Are you obsessed with me like I?m obsessed with you?
And if it?s not love, then what are we but two dumb kids
That cannot breathe without each other?
This is borderline stalker

To love someone so much
And have to see them look at someone else

It?s, it?s hell, it?s hell

And all you good-for-nothing boys
Meet good-for-nothing girls
We?re good for nothing
It?s hell, it?s hell

And all you good-for-nothing boys
Meet good-for-nothing girls
We?re good for nothing

It?s in our blood
To disappoint and let you on
From the hotel bed to the hotel floor
Let?s show them what?s worth dying for

Stare so hard that you burn a hole right through my back
Isn?t that what lovers do?
Are you obsessed with me like I?m obsessed with you?
And if it?s not love, then what are we but two dumb kids
That cannot breathe without each other?
This is borderline stalker, stalker, stalker, stalker

Stare so hard that you burn a hole right through my back
Isn?t that what lovers do?
Are you obsessed with me?
Stare so hard that you burn a hole right through my back
Isn?t that what lovers do?
Are you obsessed with me like I?m obsessed with you?
