

# Blue Train

John Coltrane

Felt that rumble underneath my feet  
I knew I bought myself a first class seat  
On the blue train I knew you'd break me down and leave me flat  
I saw it coming but I turned my back  
I feel like a nickel on the railroad track  
Here comes the blue train Blue train, blue train  
Broken hearts ride free  
On the blue train, blue train  
Coming for to carry me It's not the first time I've been down this line  
I've done some traveling with this heart of mine  
Seems to be a longer ride each time  
On the blue train
