

# Holding Her and Loving You

[Earl Thomas Conley](#)

It's the third hardest thing I'll ever do  
Leavin' here without you  
And the second hardest thing I'll ever do  
Is tellin' her about you She's been good to me when things were goin' rough  
How can I tell her now, good ain't good enough  
Oh, the hardest thing I've ever had to do  
Is holding her and loving you If she'd give me one good reason I'd be gone  
She ain't done, one thing wrong  
So don't expect me to just walk out of the door  
I still love her but I love you more She's been good to me when things weren't goin' right  
She made my days long before you made my nights  
So, the hardest thing I've ever had to do  
Is holding her and loving you
