

You're Not Alone (Sako Isoyan Remix)

Mads Langer

In a way it's all a matter of time
I will not worry for you - you will be just fine
Take my thoughts with you, and when you look behind
You will surely see a face that you recognize, yeah yeah You're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely it's time to be with me It is the distance that makes life a little hard
Two minds that once were close; now so many miles apart
I will not falter though, I'll hold on till you're home, yeah yeah
Safely back where you belong, and see how our love has grown You're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely it's time to be with me You're not alone, surely it's time to be with me
Open your mind, yeah You're not alone - oh, I'll wait till the end of time for you
Open your mind - open your mind, yeah yeah
You're not alone - no, no
