7-11

Screeching Weasel

one minute past midnight and i need some
heart starts pounding fast everything
cigarettes see the big sign comin up my
you could want is in this little shop burritos
there's an asshole behind the counter-this
atmosphere really sucks soda and chips are
like these in my life i wish i had a gunare 6.99 free coffee for the cops 7-11 [x3]
some rubbers and i get a murder one it's times
overpriced so i'm shit outta luck i try to buy
