Check My Brain

Advisory - the following lyrics contain explicit language:

So I found myself in the sun, oh yeah
A hell of a place to end a run, oh yeahCalifornia, I'm fine
Somebody check my brain
California's all right
Somebody check my brain
Check my brainI walk these streets, I creep and I fall, oh yeah
When she sang I answered the call, oh yeahCalifornia, I'm fine
Somebody check my brain
California's all right
Somebody check my brainAaaaah tears that filled my bong
Aaaaah years expended goneI hung my guns and put em away, oh yeah
The trick of the trade, and by the way, oh yeahCalifornia, I'm fine
Somebody check my brain
California's all right
Somebody check my brainAaaah tears that filled my bong
Aaaah years expended goneAaaah tears that filled my bong
Aaaah years expended goneAaaah tears that filled my bong
Aaaah years expended goneCheck my brain, check my brain...
