

# Solitary Confinement

## The Members

You are livin' in the suburbs  
And you have problems with your parents  
So you move on up to London town  
Where you think everything's happening, going down  
Living in a bedsit  
Travelling on a tube train  
Working all day long  
And you know no-one, so you don't go out  
And you eat out of tins and you watch television  
Solitary Confinement  
I have got a good job  
And I am working in the city  
Get the tube train at 8 o'clock and 5  
And I really don't know if I'm feeling dead or alive  
Living in a bedsit  
Travelling on a tube train  
Working all the day long  
And you know no-one, so you don't go out  
And you eat out of tins and you watch television

Solitary Confinement  
Well I used to live in Camberley and, I thought, if I moved up to London life would be very exciting for me, you know, because I'd go out at night and meet girls and things, but nothing ever really happens round my neck of the woods except this rather nice girl who lives across the way from me....I tell you, I  
got it sussed  
She's got a 40 inch bust  
And she's just (just, just)  
Living in a bedsit  
Travelling on a tube train  
Working all day long  
And you know no-one, so you don't go out  
And you eat out of tins and you watch television  
Solitary Confinement  
You're so lonely  
Solitary Confinement  
You're so lonely  
Solitary Confinement

The Members are going to tell what it's like to be  
On your own, by yourself  
By yourself, by yourself  
By yourself, by yourself

By yourself, by yourself  
By yourself, by yourselfBuy yourself this record...And it's lonely for you  
And it's lonely for me  
And it's lonely for all of us  
Can't you see?Living in a bedsit  
Travelling on a tube train  
Working all day long  
And you know no-one, so you don't go out  
And you eat out of tins and you watch television  
Solitary Confinement  
You're so lonely  
Solitary Confinement  
You're so lonely  
Solitary Confinement  
You're so lonely
