Everywhere We Go

SonReal

[Intro]
Yeah!
Yeah!
Yeah!

[Hook]
Yeah, burd n keyz
Who that there, huh you ainâ€™t gonna ask no longer right?
you ainâ€™t gonna ask no longer right?
you ainâ€™t gonna ask no longer right?
No longer
No Longer

Who that there everywhere we go,
Everywhere we go, everywhere we go
They say:
Who that there everywhere we go,
Everywhere we go, everywhere we go

[Verse 1]
Itâ€™s me, jean jacket with the chop sleave
Showin off a young homie (zzzz)
No No No I ainâ€™t doing â€“
(him him him him him)
(na na na na na)
Doing meâ€™s meâ€™s meâ€™s meâ€™s
Grew up on the type of rap that really make you spit it
So if you see him kill it you ainâ€™t gotta ask who did it
Girls, they totally love the way that Iâ€™m singing
I said baby thatâ€™s the heart

They take the verses that im bringin like

About one year ago, I was all on my own
We was trying to get on, so I put the pen to my dome
Wrote the realest shit in my life
Then I put it all in a poem
Critics said that i was crazy, now everybody they write their asses home

[Hook]

Who that there everywhere we go,
Everywhere we go, everywhere we go
Who that there everywhere we go,
Everywhere we go, everywhere we go

[Verse 2]
Itâ€™s me, never talking bout no molly or I rap to get a hottie on my body like a goddy
On tour â€“ on teli â€“ but my roadies in the lobby
People ask me who I am I just give their ass a copy like

Take that shit and gorgeous baby Iâ€™m back
Ainâ€™t gone away thatâ€™s fact!
You could tell by the way that I rap whoo

Came up in this motherfucker ainâ€™t nobody like it
Thought of what I thought â€“ you know I will write it
Get up in the booth and now its time that I recite it
[Fuck them any blow - I take the way I like it

Dollar up in my pocket, tryna make this my own
Critics call my ass crazy now they writing their ass home

They say!

[Hook]
Who that there everywhere we go,
Everywhere we go, everywhere we go
Who that there everywhere we go,
Everywhere we go, everywhere we go

[Verse 3]
Cool kid cool kid ay tell me what you see?
Cause if I see it Iâ€™mma be that too
Go ahead and follow me follow me
New kid new kid ay its all i really be
Mama tell me way back im a star
Now Iâ€™mm walking down the street everybody that sees says

[Hook]
Who that there everywhere we go,
Everywhere we go, everywhere we go
They say!
Who that there everywhere we go,
Everywhere we go, everywhere we go
