

# Shivers (Alex M.O.R.P.H. rmx)

## Armin van Buuren

A little bit just a little bit  
A little bit just a little bit  
A little bit just a little bit  
A little bit just a little bit World's on turn around  
Music make no sound  
Where is sweetness found  
Where love is gone Sun don't come around  
Don't make a sound  
Where can love be found  
If your heart won't feel Shivers  
Up and down my spine  
Breaker  
Not on my mind A little bit just a little bit  
A little bit just a little bit  
A little bit just a little bit  
A little bit just a little bit How could it end this way  
Don't leave me, love me  
Just a little bit longer  
Just a little bit longer  
Just a little bit longer They don't turn tonight  
Morning don't bring light  
Where is sweetness found  
Where love is gone Won't you stay tonight  
Let the truth shine bright  
Where can love be found  
If your heart won't feel Memories  
Emotions that we share  
Teardrops  
Signing my face How could it end this way  
Don't leave me, love me  
Just a little bit longer  
Just a little bit longer  
Just a little bit longer  
Just a little bit longer A little bit just a little bit  
A little bit just a little bit  
A little bit just a little bit  
A little bit just a little bit
