Dance The Mess Around

Chubby Checker

Who likes Birdland? We like Birdland
We like Birdland, we like Birdland
We like Birdland, oh yeah
We like Birdland, we like Birdland
Yeah come on baby and fly with me
Just as easy as a ABC
It's got the rhythm and the rock and roll
A little cha cha gonna move my soul
We like Birdland, we like Birdland
We like Birdland, we like Birdland
We like Birdland
Yeah, come on baby and we're gonna swing
Come on and show me how you sake that thing
Look at Susie who lives next door
She can shake it but she shake it more
We like Birdland, we like Birdland
We like Birdland, we like Birdland
We like Birdland
Now fly whoo, fly whoo, fly by Jove, I think she's got it
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way, come on baby
Shup a doo wop a shup a doo way, Birdland Susie
Shup a doo wop a shup a doo way, do it sis
Shup a doo wop a shup a doo way, easy baby
Shup a doo wop a shup a doo way, momma, momma
Let's Birdland now, sly, fly, ar right, I'm satisfied
Momma, momma, Birdland now
I like Birdland, you like Birdland
He likes Birdland, she likes Birdland
We like Birdland
