

# Dance The Mess Around

## Chubby Checker

Who likes Birdland? We like Birdland  
We like Birdland, we like Birdland  
We like Birdland, oh yeah  
We like Birdland, we like Birdland  
Yeah come on baby and fly with me  
Just as easy as a ABC  
It's got the rhythm and the rock and roll  
A little cha cha gonna move my soul  
We like Birdland, we like Birdland  
We like Birdland, we like Birdland  
We like Birdland  
Yeah, come on baby and we're gonna swing  
Come on and show me how you sake that thing  
Look at Susie who lives next door  
She can shake it but she shake it more  
We like Birdland, we like Birdland  
We like Birdland, we like Birdland  
We like Birdland  
Now fly whoo, fly whoo, fly by Jove, I think she's got it  
Shup a doo wop a shup a doo way  
Shup a doo wop a shup a doo way  
Shup a doo wop a shup a doo way  
Shup a doo wop a shup a doo way  
Shup a doo wop a shup a doo way  
Shup a doo wop a shup a doo way, come on baby  
Shup a doo wop a shup a doo way, Birdland Susie  
Shup a doo wop a shup a doo way, do it sis  
Shup a doo wop a shup a doo way, easy baby  
Shup a doo wop a shup a doo way, momma, momma  
Let's Birdland now, sly, fly, ar right, I'm satisfied  
Momma, momma, Birdland now  
I like Birdland, you like Birdland  
He likes Birdland, she likes Birdland  
We like Birdland
