

# Reckless

[James Kennedy](#)

Nice to meet ya, but I can't ignore this chemistry  
I can read ya and baby there's no need to be  
A teaser, we could skip from A to B  
So I can teach ya, some things you've never seen I'm only saying what's on our minds  
Can't blame a man for trying  
Life can get crazy so why waste time  
Playing and denying I know what you want, you know what I want  
Just seize the moment when 2 right's can't be wrong  
Girl lets move along, what we waiting on?  
We ain't fooling no one when 2, 2 right's can't be wrong I wanna please ya, you'll be the star of the show  
I'll unleash ya and no one will ever know  
How I feast ya, sensory overload  
Girl I need ya, so come on let's hit the road My cards are all on the table now  
So how you gonna play it  
We can run but we can't hide now  
So I'm just gonna say it I know what you want, you know what I want  
Just seize the moment when 2 right's can't be wrong  
Girl lets move along, what we waiting on?  
We ain't fooling no one when 2, 2 right's can't be wrong We can make this night one we won't forget  
Surrender to desire  
And just maybe we might do it some time again  
If you're lucky I know what you want, you know what I want  
Just seize the moment when 2 right's can't be wrong  
Girl lets move along, what we waiting on?  
We ain't fooling no one when 2, 2 right's can't be wrongx2
