

We Are Normal

Bonzo Dog Band

We, we are
We, we are And, uh, here come some normals
They look like normal Hawaiians
Well, uh, you didn't mention what month You think you're normal?
Yes, quite normal
Okay, here comes one
Go inside Well it's, ah, it's not for me to deter really, is it?
I mean it's for a psychiatrist to deter these things, isn't it?
I like they're food and they are very nice people
Ooh, its alright, is it?
That a face? Smart, it's your backside Oh, they're just typically normal
No, this is not manly
Well, it is unusual, well, it's like a rabbit
He's got a head on him like a rabbit I don't know, it's just not
Like normal people do
You're not running around
In your underpants, are you? We are normal
And we want our freedom
We are normal
And we want our freedom Wir sind gewhnlich
Wir sind zufrieden We are normal
And we dig Bert Weedon, ha ha We are normal
And we want our freedom, our freedom
Freedom, freedom, freedom
We are normal
And we want our freedom
