# Right Back At Ya

## Spice Girls

Wooo oh oh oh
Wooo oh oh oh
We're comin' right back atcha, come on
This party's begun
Jump to it
It's a brand new day
I've got a feelin' things are goin' my way
'Cos the girls are back in town
So don't look down
'Cos the groove won't let
Your feet touch the ground, yea, yea
No lookin' back
And you thought we wouldn't make it this far
So we proved you wrong again
Now's the time
(Time)
We're comin' right back with a brand new design
(Feelin' fine)
There's been tears along the way
(Ooh)
But we're still the best of friends
(Ooh)
Never needed to pretend
(Ooh)
'Cos real friendship never ends
We're comin' right back atcha, come on
This party's begun
Jump to it 'cos the girls are coming back again
('Cos the girls are coming back at you again)
Right back atcha this time
(At you this time)
We're changing the vibe
Get with it 'cos the girls are coming back again, right
(Girls are coming back again)
Wo oh oh oh
(Oh oh oh oh)
Wo oh oh oh
(Oh oh oh oh)
'Cos the girls are coming back again

(Coming back again)
Now
We've had a taste of what we all can achieve
But we're comin', back for more
Show you how
(How)
Turn your dreams into a reality
Stronger than before
There's been tears along the way
(Ooh)
But we never cried alone
(Ooh)
The four of us have grown
(Ooh)
And our friendship never ends
We're comin' right back atcha, come on
This party's begun
Jump to it 'cos the girls are coming back again
('Cos the girls are coming back at you again)
Right back atcha this time
(At you this time)
We're changing the vibe
Get with it 'cos the girls are coming back again
We're comin' right back atcha
No R.I.P.
Not forgettin' the days
When we were all wannabes
Spice it up through and through
Through and through to the limit
They all try and diss us
But there ain't nothin' in it
We started a trend now they all imitated
(Wo oh oh oh)
A new generation of spice we created
(Wo oh oh oh)
You all know who you are
We couldn't have done it without ya
So once again we're comin' right back atcha
There's been tears along the way
(Ooh)
But we're still the best of friends
(Ooh)
Never needed to pretend
(Ooh)
'Cos real friendship never ends

We're comin' right back atcha, come on
(At you come on)
This party's begun
(Party's begun)
Jump to it 'cos the girls are coming back again
Right back atcha this time
(Yea, yea)
We're changing the vibe
(Yea)
(Can you get with it)
Get with it 'cos the girls are comin', back again
(We're coming right back at you)
Right back atcha, come on
(This party's only just begun)
This party's begun
Jump to it 'cos the girls are coming back again
Right back atcha this time
(Wo oh oh oh)
(Tell me do you like it)
We're changing the vibe
(Wo oh oh oh)
(Changing the vibe)
Get with it 'cos the girls are coming back again
Right back atcha, come on
(Atcha come on)
This party's begun
(Party's begun)
Jump to it cos the girls are coming back again
(Coming around again)
Right back atcha this time
(Atcha this time)
We're changing the vibe
(Changing the vibe)
Get with it 'cos the girls are coming back again
