It Hurts Like Hell (Waiting To Exhale Soundtrack)

[Aretha Franklin](#)

Oh baby
Oh oh babe
Oh oh oh oh oh
Oh babyLove was always supposed to be
Something wonderful to me
To watch it grow inside yourself
To feel your heart beside itselfSometimes it hurts to love so bad
(When you know you've given all you can)
Sometimes it hurts to even laugh
(You do your best but it's still much too sad)
Sometimes the pain is just too much, oh oh
And it hurts like hell, that's the way it feelsTrue love, it has no hiding place
It's not something you just put away
It's always there inside of you
Oh, and it shows in everything you doSometimes it hurts to love so bad
(When you know you've given it your best)
Sometimes it hurts to even laugh
(You feel a thousand miles from happiness)
Sometimes the pain is just too much, oh oh oh
And it hurts like hell, that's the way it feelsOh oh, oh oh
Here we are, the two of us
So full of love, so little trust
But dying for some tenderness
Ohh, but too afraid to take the stepSometimes it hurts to love so bad
(When you know what it can put you through)
Sometimes it hurts to even laugh
(There's nothing funny if it's killing you)
Sometimes the pain is just too much
And it hurts like hell, that's the way it feelsI know if there is any chance
For us to find our happiness
We've got to learn to let it go
Ohh, forget all the pain we knowSometimes it hurts to love so bad
(Sometimes it hurts so bad, baby)
Sometimes it hurts to even laugh
(Sometimes it hurts to even laugh, oh)
And it hurts like hell, that's the way
Oh baby, that's the way it feels
Yeah, yeah, oh, yeah
