

Mary Go Round

Musiq Soulchild & Musiq

Maybe my mind is playing tricks on me
But I could've sworn
That the kiss that was meant truly for me
Is leaving me tornHow can love be so kind and so gentle
And turn and be so cold
And why must my arms feel so empty
For what my heart still holdsMary how could you go
Around and hurt me so
I'd have tried so hard to please you baby
But I just can't seem to babyMary how could you go
Around and hurt me so
I'd have tried so hard to please you baby
But I just can't seem to baby
There was there something I could've done
To change this outcome here
As if I blinked my eyes and suddenly
She up and disappearedHow can love escape your grasp
Without you ever letting go
And until she returns to my offer
I may never knowMary how could you go
Around and hurt me so
I'd have tried so hard to please you baby
But I just can't seem to babyMary how could you go
Around and hurt me so
I'd have tried so hard to please you baby
But I just can't seem to baby

 But I just can't seem to baby
