Love Won't Wait

Atomic Kitten

Don't lose this moment, life tastes so sweet
We can weave wonders, just let it be
I know what you're thinking, so can you feel
What I need, don't need to be sick
I wanna live right now
Love, my love won't wait
If you're gone away till tomorrow
My love won't wait
Baby, I'm yours
And that means right today
My love won't wait
If you're gone away till tomorrow
My love won't wait
This is not a dream, it's right before your eyes
Don't let it fade away
You miss this moment, don't be afraid
Ain't that what you wanted, why hesitate?
'Coz I'm feeling restless, I can't explain
What I need, don't need to be sick?
I wanna live right now
Love, my love won't wait
If you're gone away till tomorrow
My love won't wait
Baby, I'm yours
And that means right today
My love won't wait
If you're gone away till tomorrow
My love won't wait
This is not a dream, it's right before your eyes
Don't let it fade away
Love won't wait, love won't wait
Love won't wait, don't hesitate
What I need, don't need to be sick
I wanna live right now
Love, my love won't wait
If you're gone away till tomorrow
My love won't wait
Baby, I'm yours
And that means right today

My love won't wait
If you're gone away till tomorrow
My love won't wait
This is not a dream, it's right before your eyes
Don't let it fade away
My love won't wait
If you're gone away till tomorrow
My love won't wait
Baby, I'm yours
And that means right today
