

Booty

Jennifer Lopez feat. Pitbull, Iggy Azalea

Your booty might be bigga
But I still can pull your nigga
 But I don't want him
 Ya got sugar on your pita
 But ya nigga thinks I'm sweeter
But I don't want himYa know the whole encyclopedia
 But ya nigga thinks I'm deeper
 But I don't want him
 Got a whole lot a junk off in ya trunk
 But ya nigga think I'm live and I keep him crunk
 I don't want himHey, hey, hey
 I don't want him cause of what he doing to you
 And you don't need him
 'Cause he ain't ready
 See I don't want him
 If he ain't made no arrangement with you
I hope you would've done the same thing for me tooYour kisses might be wetter
 But your nigga likes mine better
 But I don't want him
 Ya got the beans and rice and the hot ho cakes
 But ya nigga still over here in my plate
 I don't want him
 Ya got a P.hd, magna cum laude
 But ya nigga love me with a GED
 I don't want him
 You the one with all the money
 And he knows my money's funny
 But I don't want himHey, hey, hey
 I don't want him
 'Cause of what he doing to you
 And you don't need him
Cause the boy ain't readyGot ya pad all decked out fa sho
 But ya niggas at my door, thought
 I don't want him
 Well you can do the butterfly and the tootsie roll
 But ya nigga straight sprung off the way I stroll
 I don't want him
 Ya know the whole 120 an' a plus degree
 But you can't keep ya guy up off his knees

I don't want him
Got a 9-5 and a 6-10
But ya nigga told me not to work again
I don't want himHey, hey, hey
I don't want him
'Cause of what he doing to you
And you don't need him
'Cause he ain't readyHey, hey, hey
I don't want him
If he ain't made no arrangement with you
I hope you would've done the same thing for me too
