Nothing Lasts Forever

Words and music by Alaina Elizabeth and Chapman James

Sittin watching all the clouds go by
Some are small and others stretch the sky
Nothing lasts forever
Iâ€™ve seen days where not an end was found
But, of a sudden that old sun went down
Nothing lasts foreverâ€

C1 So mourn the passing or rejoice the fade
The fleeting moments where the heart is made
From the cradle to the cozy grave we Prayâ€
The very moment that has just passed by
Is gone forever you can laugh or cry
In our memories we fall or fly Awayâ€
and thatâ€™s a very good thing

Whereâ€™s the sound of Mommaâ€™s lullabye
Whereâ€™s the look inside your babyâ€™s eye
Nothing lasts forever
If Ya canâ€™t enjoy the here and now
Cause ya worry thingsâ€™ll change somehow
Nothing lasts foreverâ€

C2 So kiss your kids before ya hit the light
Hug your baby tell her itâ€™s alright
Let her know tonightâ€™s the night your Dreaming ofâ€
Lean on the goodness and embrace the pain
Nothingâ€™s ever gonna be the same
There is constantly a world of change to Loveâ€
And thatâ€™s a very good thing

Instrumental

So sit and watch the little clouds go by
The ones so small, the ones that stretch the sky
Nothing lasts forever
If Ya canâ€™t enjoy the here and now
Cause ya worry thingsâ€™ll change somehow
Nothing lasts foreverâ€ C1
