

# Girl on Fire

Alicia Keys

She's just a girl, and she's on fire  
Hotter than a fantasy, longer like a highway  
She's living in a world, and it's on fire  
Feeling the catastrophe, but she knows she can fly away  
Oh, she got both feet on the ground  
And she's burning it down  
Oh, she got her head in the clouds  
And she's not backing down This girl is on fire  
This girl is on fire  
She's walking on fire  
This girl is on fire Looks like a girl, but she's a flame  
So bright, she can burn your eyes  
Better look the other way  
You can try but you'll never forget her name  
She's on top of the world  
Hottest of the hottest girls say  
Oh, we got our feet on the ground  
And we're burning it down  
Oh, got our head in the clouds  
And we're not coming down This girl is on fire  
This girl is on fire  
She's walking on fire  
This girl is on fire Everybody stands, as she goes by  
Cause they can see the flame that's in her eyes  
Watch her when she's lighting up the night  
Nobody knows that she's a lonely girl  
And it's a lonely world  
But she gon' let it burn, baby, burn, baby This girl is on fire  
This girl is on fire  
She's walking on fire  
This girl is on fire  
Oh, oh, oh,  
She's just a girl, and she's on fire
