

Stuttering

Jessica Sanchez

Oh, Ohh, Ohhh
I ain't usually lost for words
This has got to be a first
And I'm trying to find a reason why I'm stu-stu-stu-stuttering

Somethings funny happening
I'm in a place I've never been
And there's got to be a reason why I'm stu-stu-stu-stuttering

Everytime you look my way
Something in me feels so strange
And I'm starting to think you are why I'm stu-stu-stu-stuttering

chrous
I say hel, hel, hel, hello
And my, my, my, my, my, my, my, my, my Jessica
And It's so frustrating,
Cause I don't wanna let you down
My mind is racing,
And it won't come out

Can't believe that I can't talk
But it's not my fault
Cause there's something that you do that's got me stu-stu-stu-stuttering

There's so much that I want to say
But something's getting in my way
And I've got to figure out how to stop stu-stu-stu-stuttering

(chorus)

Refrain
Try to breathe but I'm suffocating
Just be me but it's complicated
I wanna tell you who I am, and where I'm from, where I go when I wanna be alone

I want you to know me better
Once I get my thoughts together
Should be easy to tell you how I'm feeling

But I can't stop stuttering

Stuttering, da da, Stuttering, doo, doo, doo, whoa
Stuttering.

I ain't usually lost for words
This has got to be a first
And I'm starting to think you are why I'm stu-stu-stu-stuttering
