

Rabbit Heart (Raise It Up)

Florence + The Machine

the looking glass so shiny and new, how quickly the glamour fades,i start spinning slipping out of time, was that
the wrong pill to take
raise it up
you made a deal and now it seems you have to offer up
raise it up raise it up
now here i am a rabbit hearted girl frozen in the headlights,
it seems ive met the final sacrifice
we raise it up this offering we raise it up
this is a gift it comes with a price who is the lamb and who is the knife, midas is king and he holds me so
tight, and turns me to gold in the sunlight
i look around but i cant find you, if only i could see your face, i started rushing towards the skyline, i wish i could
just be brave, i must become the lion hearted girl ready for a fight before i make the final sacrifice
raise it up this offering we raise it up
this is a gift it comes with a price who is the lamb who is the knife,
midas is king and he holds me so tight ,turns me to gold in the sunlight
and in the spring i shed my skin, and it blows away with the changing winds,
the waters

--from blue to red as

-- the sky i offer it
cos this is a gift it comes with a price who is the lamb and who is the knife midas is king and he holds me so
tight turns me to gold in the sun light
repeat chorus
