

Glow (Live At Sadlers Wells)

Spandau Ballet

Glow, take out this foreign heart
Wash off the sand that seeps out through my eyes
I've still sleep in my eyes Cold, cold's how we felt so long
Accuse me of crying and speaking of lies
I've still sleep in my eyes, I've still sleep in my eyes
Glow like a lover Out, out is the winter pale
Gold rising June in the blue of my eye
I've still sleep in my eyes Glow, this is my family
Send for the soul you can soon realize
I've still sleep in my eyes, I've still sleep in my eyes
Glow like a lover Glow, take out this foreign heart
Wash off the sand that seeps out through my eyes
I've still sleep in my eyes Cold, cold's how we felt so long
Accuse me of crying and speaking of lies
I've still sleep in my eyes, I've still sleep in my eyes
Glow like a lover
