# Jet Girl (Acoustic Version)

## Wedding Present

Oh I could call you now
But I know you won't answer
Because someone told me how it always endsI guess that you could say
I took a great big chance and
Now you've flown away
Are we still friends?You took off like a jet, girl
Somehow I knew that it would happen all along
Oh, but I can bet, girl
Wherever you are, you won't be landing there for long
Unless I'm wrongOh, I know I've been blind
You only hung around to
See what you could find to turn you onAnd I could have ignored
The aura that surrounds you
But I'd have been so bored
And you'd still be goneYou took off like a jet, girl
Somehow I knew that it would happen all along
Oh, but I can bet, girl
Wherever you are, you won't be landing there for long
You took off like a jet, girl
Somehow I knew that it would happen all along
Oh, but I can bet, girl
Wherever you are, you won't be landing there for longUnless I'm wrong
