

# Waiting For Us (feat. Nina K.)

[Tomas Barfod](#)

Tell me how I said it  
and the way that I said it  
no point left from you  
Did you ever listen, to the way that i said it  
no point left from you  
and in the night i feel it coming out  
pressing and pressing on  
in the night i feel it coming out  
and in the night i feel it coming out  
pressing and pressing on  
in the night i feel it coming out  
come be my reciever, be my deliverance from one to another
