

# None Of Dem (feat. RÅ¶yksopp)

## Robyn

None of these boys can dance  
Not a single one of them stand a chance  
All of them girls a mess  
I've seen it all before, I'm not impressed  
None of them get my sex  
None of them move my intellect  
None of them work for me  
None of them make me feel anything  
Step on it, step on it  
I will accelerate  
Step on it, step on it  
I will accelerate  
I'm so bored in this town  
Take me away from here  
Play some kind of new sound  
Something true and sincere  
I've got a little girl singing on repeat in my head (oh oh)  
Take me far away from here  
None of dem get my stance  
None of dem do it like I can  
None of these chicks got style  
None of these drugs get me high  
None of these beats are raw  
None of these beats ever break the law  
None of them kicks go boom  
None of them bass lines fill the room  
Step on it, step on it  
I will accelerate  
Step on it, step on it  
I will accelerate  
Step on it, step on it  
I will accelerate  
Step on it, step on it  
I will accelerate  
I'm so bored in this town  
Take me away from here  
Play some kind of new sound  
Something true and sincere  
I've got a little girl singing on repeat in my head (oh oh)  
Step on it, step on it  
I will accelerate  
Take me far away from here  
I'm so bored in this town  
Take me away from here  
Play some kind of new sound  
Something true and sincere  
I've got a little girl singing on repeat in my head (oh oh)  
Take me far away from here  
Step on it, step on it  
I will accelerate  
Step on it, step on it

I will accelerate  
Step on it, step on it  
I will accelerate  
Step on it, step on it  
I will accelerate
