Joy

PJ Harvey

Joy was her name
A life un-wed
Thirty years old
Never danced a stepShe would have left these red hills far behind
If not for her condition
Would have left these red hills long ago
If not for my conditionPitiful Joy
She looked away
Into a hollow sky
Came face to faceWith her own innocence surrounding her
Until it never was a question
Innocence so suffocating
Now she cannot move, no questionNo hope for Joy
No hope or faith
She wanted to go blind
Wanted hope to stayI've been believing in nothing since I was born
It never was a question
No
