

I Believe in You and Me

Four Tops

I believe in you and me
I believe that we will be
In love eternally
Well as far as I can see You will always be the one for me
Oh yes you will
I believe in dreams again
I believe that love will never end And like the river finds the sea
I was lost, now Im free
'Cause I believe in you and me I will never leave your side
I will never hurt your pride
When all the chips are down
I will always be around Just to be right where you are
My love, oh I love you girl
I will never leave you out
I will always let you in To places no ones ever been
Deep inside, cant you see
I believe in you and me Maybe Im a fool
To feel the way I do
But I will play the fool forever
Just to be with you forever I believe in miracles, loves a miracle
And baby youre a dream come true
I was lost, now Im free girl
I believe in you and me I was lost, now Im free
I believe in you and me
