One Direction

-Liam-

Making little conversation
So long I've been waiting
to let go of myself and feel alive

-Niall-

So many nights I've thought it over
Told myself a kind of liked her
But there was something missing in her eyes-Harry-
I was stumbling, looking in the dark
(ooh)

With an empty heart
But you say you feel the same
Could we ever be enough
(ooh)

Maybe we could be enoughCHORUS -Harry lead-
And it's alright

Calling out for somebody to hold tonight
When you're lost I'll find the way and I'll be your light
You'll never feel like you're alone
I'll make this feel like home-Niall-
So hard that I couldn't take it
Wanna wake up and see your face
And remember how good it was being here last night
-Louis-

Still high with a little feeling
I see the smile as it starts to creep in
It was there, I saw it in your eyes-Harry-
I was stumbling, looking in the dark
(ooh)

With an empty heart
But you say you feel the same
Could we ever be enough
(ooh)

Maybe we could be enoughCHORUS -Harry lead-
And it's alright

Calling out for somebody to hold tonight
When you're lost I'll find the way and I'll be your light
You'll never feel like you're alone
I'll make this feel like home

I'll make this feel like home
Maybe we could be enoughCHORUS -Harry lead-
And it's alright
Calling out for somebody to hold tonight
When you're lost I'll find the way and I'll be your light
You'll never feel like you're alone
I'll make this feel like home
