Necrophilia

Suicide Commando

I want to get your body
I want to get inside
your ice cold body
covered in shrouds
I want to taste your body
I want to taste your smile
you make me feel so horny
you're making me go wild
necrophilia
I penetrate your body
I'm getting inside
your eyes wide open
staring at the sky
I'm taking of your clothes
you're looking so livid
to hell with religion
you're dead, I'm living
necrophilia
