

# Necrophilia

## Suicide Commando

I want to get your body  
I want to get inside  
your ice cold body  
covered in shrouds  
I want to taste your body  
I want to taste your smile  
you make me feel so horny  
you're making me go wild  
necrophilia  
I penetrate your body  
I'm getting inside  
your eyes wide open  
staring at the sky  
I'm taking of your clothes  
you're looking so livid  
to hell with religion  
you're dead, I'm living  
necrophilia
