

# Blood from a Stone

## Spanky Wilson & The Quantic Soul Orchestra

Well I've been walkin' down a one way dirty street  
Tryin' to find the answers  
And I've been hopin' for a chance to meet  
The rat that spread the cancer  
And the lies they've been spinnin' and the smiles they've been grinnin'  
There sure has been some sinnin' but nobody's winnin'  
When the walls start to crumblin' you feel like you're stumblin'  
And nobody wants you when you're down  
They took the boy from the city but they can't take the city from the  
Boy's lookin' pretty now he's lookin' like a pity  
Cut the flesh down to the bone but you can't get  
You can't get blood from a stone, no  
You can't get blood from a stone  
Well I'm a rollin' but my trains gone off the tracks  
And my wheels are spinnin' and I'm a walkin'  
Down a one way dirty street but my heart's not sinkin'  
From the love they've been buyin' and the blues they've been cryin'  
Now the time keeps a flyin' but nobody's tryin'  
'Cause the love of the money didn't turn out so sunny  
When the well's dry, no one comes around  
They took the boy from the city but they can't take the city from the  
Boy's lookin' pretty now he's lookin' like a pity  
Cut the flesh down to the bone but you can't get  
You can't get blood from a stone  
You can try but I still got the fight in my eyes  
Suck it dry 'cause I've had about enough of your lies  
They took the boy from the city but they can't take the city from the  
Boy's lookin' pretty now he's lookin' like a pity  
Cut the flesh down to the bone but you can't get blood from a stone  
They took the boy from the city but they can't take the city from the  
Boy's lookin' pretty now he's lookin' like a pity  
Cut the flesh down to the bone but you can't get  
You can't get blood from a stone, no  
You can't get blood from a stone  
You can't get blood from a stone
