

# Honeymoon Avenue

## Ariana Grande

I looked in my rearview mirror and  
It seemed to make a lot more sense  
Than what I see ahead of us, ahead of us yeah  
I'm ready to make that turn  
Before we both crash and burn  
Cause that can be the death of us, the death of us  
Baby you know how to drive in rain  
You decided not to make a change  
Stuck in the same old lane  
Going the wrong way home  
I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm under pressure  
Cause I can't have you the way that I want  
Let's just go back to the way it was  
When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Coastin' like crazy  
Can we get back to the way it was  
Hey, What happened to the butterflies  
Guess they encountered that stop sign  
And my heart is at a yellow light, a yellow light  
Hey, right when I think that we found it  
Well that's when we start turning around  
You're saying baby don't worry  
But we're still going the wrong way  
Baby you know how to drive in rain  
You decided not to make a change  
Stuck in the same old lane  
Going the wrong way home  
I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm under pressure  
Cause I can't have you the way that I want  
Let's just go back to the way it was  
When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Coastin' like crazy  
Can we get back to the way it was  
They say only fools fall in love  
But they must've been talking about us  
Sometimes I feel like  
I've been here before  
I could be wrong, but I know I'm right  
We gonna' be lost  
If we continue to fight  
Honey I know

We can find our way home I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm under pressure  
Cause I can't have you the way that I want  
Let's just go back to the way it was When we were on Honeymoon Avenue  
Honeymoon Avenue  
My Baby, Coastin' like crazy  
Can we get back to the way it was When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Coastin' like crazy  
Can we get back to the way it was Baby, you know how to drive in rain  
You decided not to make a change  
Stuck in the same old lane  
Going the wrong way home I feel like my heart is stuck in  
Traffic, I'm under  
p-p-pressure,  
Pressure  
Let's just go back to the way it was Baby, you know how to drive in rain  
You decided not to make a change  
Stuck in the same old lane  
Going the wrong way home  
When we were on Honeymoon Avenue
