

Little Bit of Soul

Bon Jovi

You've been robbed, you've been used
You've been crucified and abused
You've been sacrificed and now you're confused
Ain't that the truth? Yeah, yeah You've got a hole in your head
And it's a cold empty spot in your big brass bed When you're mad at the world
And you feeling like you're losing control
All you need to get by is a little bit of soul
Oh a little bit of soul, yeah Now when you're lost in the flood
When you feel like you've been kicked through the mud
You know they still haven't found the drug to pick us up You're feeling down, misunderstood I know
That these times ain't looking so good When you're mad at the world and
You're feeling like you're losing control
All we need to survive is a little bit of soul, yeah
Whoa oh, little bit of soul, yeah
Whoa oh, a little bit of soul Here we go
Everyone's complaining, nothing but frustration
The King has pissed in your pot of gold
It ain't entertaining spending so much time in the hole
Lord send down a little bit of Mad at the world
And you feeling like you're losing control
I know, I know
Need to survive is a little bit of soul, oh Lord
Whoa oh little bit of soul, yeah
Whoa oh little bit of soul, come on, come on
Whoa oh little bit of soul
Whoa oh Lord just send us down little bit of soul
Send down little bit of soul
In the bag baby, yeah don't stop
Alright, alright, little bit more
Little bit, little bit, little bit, little bit Hear my pains [Incomprehensible]
[Incomprehensible] I know
I need a little bit of soul Oh take me home yeah
Take me home yeah
I need a, just a little bit
Just a little bit of, just a little bit of
Soul yeah, soul yeah So I can get your sweet sweet [Incomprehensible]
Yeah I need a little bit of soul, attention, screaming
Healing, teasing, [Incomprehensible]
Oh I need a little bit of soul

I need a little bit of soul
Come on and [Incomprehensible]
