Show Out

Avrey Smith

Akon, show out, show out
(Show out, show out)
I'm sure that the streets are watching me
Rather not run when the cops are stopping me
Pulled over on the road they watching me
As they walk passed all the chicks are jockin' me
Ferrari truck on the side of the road
Raspberry paint gloss sitting on 24's
Give me a warning ticket, letting me go
'Cause you can tell by the jewels that I ain't an average Joe
'Cause I meet fresh dimes daily
You burn me really
'Cause I done seen your type before
You wanna hate out on the chef 'cause he baking that dough, yo
Don't tempt me 'cause I'm close to the edge
I'm tryin' not to lose my head
'Cause you don't really wanna see me show out
(Show out)
In the club on free spinning G's
(Show out)
Yokohama 24's on these
(Show out)
Yo playa, don't make me
(Show out)
'Cause You don't really wanna see me
(Show out)
Akon got a crew so deep
(Show out)
From the West Indies to over seas
(Show out)
Yo mami don't make me
(Show out)
It's all good but I'm still in the hood
Like right around the corner 'cause it's all in my brain
A nice crib on the hill of Hollywood but the ghetto mind stayin'
Ain't a damn thing changed
It's funny how people switch when they get rich
Spend it all on chicks
Hundred-thousand dollar car for what, these bitches

Ten million dollar crib for what, these bitches
Five thousand dollar suits for what, these bitches
Should of known but they only out for your riches
Some freaks need to be dealt with
Spread 'em and smack 'em backwards with a stick
I guarantee she'll do what you say, yeah daddy, no daddy, okay
Don't tempt me 'cause I'm close to the edge
I'm tryin' not to lose my head
'Cause you don't really wanna see me show out
(Show out)
In the club on free spinning G's
(Show out)
Yokohama 24's on these
(Show out)
Yo playa, don't make me
(Show out)
'Cause you don't really wanna see me
(Show out)
Akon got a crew so deep
(Show out)
From the West Indies to over seas
(Show out)
It ain't happenin'
Yo mami, don't make me
(Show out)
It's gonna make me
(Show out)
Y'all niggas gonna make me
(Show out)
Y'all chickens gonna make me
(Show out)
'Cuz this some real shit
Don't make me pull your card
Y'all niggas gonna make me
(Show out)
(Y'all niggas)
Y'all niggas gonna make me
(Show out)
(Y'all chickens)
Y'all chickens gonna make me
(Show out)
'Cuz this some real shit
Don't make me pull your card now
(Come on, now)
'Cause you don't really wanna see me

(Show out)
In the club on free spinning G's
(Show out)
Yokohama 24's on these
(Show out)
Hey yo, don't make me
(Show out)
'Cause you don't really wanna see me
(Show out)
Akon got a crew so deep
(Show out)
From the West Indies to over seas
(Show out)
Yo baby don't make me
(Show out)
Don't make me
(No)
Show out
(Show out)
