

# Whistle Stop

## Funk Como Le Gusta

(Ooh, ooh, do waadee, ooh, ooh, do waadee)  
(Ooh, ooh, do waadee, ooh, ooh, ooh)I live in a Whistle Stop town  
Where everyone thinks I'm a clown  
Because I like to hear the train whistles blowJust because the trains never stop  
They say that I'm gonna blow my top  
But I like to hear the train whistles blowThey don't know that you're coming back to me  
One day the train will stop and they will seeI know the train will bring you home  
I hope and pray it won't be long  
That's why I like to hear the train whistles blowBring her back to me, bring her back to me  
Bring her back to me, bring her back to meThey don't know that you're coming back to me  
One day the train will stop and they will see(Oomba, oomba, oomba, oomba)  
(Ooh, ooh, do waadee, ooh, ooh, do waadee)  
I know the train will bring you home  
(Ooh, ooh, do waadee, ooh, ooh, ooh)  
I hope and pray it won't be long  
(Ooh, ooh, do waadee, ooh, ooh, do waadee)  
That's why I like to hear the train whistle blowBring her back to me, bring her back to me  
Bring her back to me, bring her back to me(Ooh, ooh, do waadee, ooh, ooh, do waadee)  
(Ooh, ooh, do waadee, ooh)
