When The Sun Comes Down

R.i.o.

Time to wake up
In every nation
Go feel the vibration
That takes me away
Me people stand up
To fight desperation
As we're raising, raising
Until the break of day
Hey
I will lift you up
We can stir it up
Feel the love around
When the sun comes down
People give it up
'Cause we're rising up
Like the sun (like the sun)
So hold on
I will lift you up
We can stir it up
Feel the love around
When the sun comes down
People give it up
'Cause we're rising up
Like the sun
So hold on
Right
Come share my dream
No facing, no fighting
Me love like deep shining
All that it way
Hey
Me people get off
To join this foundation
As we're raising, raising
Until the break of day
I will lift you up
We can stir it up
Feel the love around

When the sun comes down
People give it up
'Cause we're rising up
Like the sun
So hold on
I will lift you up
We can stir it up
Feel the love around
When the sun comes down
People give it up
'Cause we're rising up
Like the sun
So hold on
Come on down
And share all your dreams
The time has come
To gather the rainbow colors
Open up your heart you will see we can
Hold on, hold on
The road is clear
So gather all your friends around and
Take them one by one by the hand
To a peaceful, lovely place
Hold on
I will lift you up
We can stir it up
Feel the love around
When the sun comes down
People give it up
'Cause we're rising up
Like the sun
So hold on
I will lift you up
We can stir it up
Feel the love around
When the sun comes down
People give it up
'Cause we're rising up
Like the sun
So hold on
