

Baby You're Not In Love (New Version)

22-20s

something in the way we touch
you hold my hand and hold back so much
somethings changed and somethings gone
 something i cant put my finger on
baby youre not in lovei tried to be the boy you knew
 so i cut my hair and I cleaned my shoes
 but ive been cheating on myself
 saying we could make it through
 baby your not in lovelove is cruel love is hard
 love it makes you blue
 grips your heart without regard
for the ones who dont love youI tried to be the boy you knew
 so i cut my hair and I cleaned my shoes
 but ive been cheating on myself
 thinking we could make it through
 baby your not in love
